- ◆ 2 Baths
- ◆ 2-Car Attached Garage

Elevation A

Elevation B

Wentworth

◆ Model No. 328

Width45'-0"
Depth52'-0"
Main Floor.....1,486 sq. ft.

Designed for the compact lot, this well-planned ranch is a favorite of new families everywhere. This 3-bedroom beauty allows great privacy in the master suite area, including a walk-in closet. A large breakfast area and first-floor laundry add to this great design.

*Add these options to make it your very own!
3-car garage, stone or brick exterior accents, spacious front porch, fireplace.*
